

WHY USE US?

CONVENIENT SINGLE SOURCE

Convenient single source for all your electrical, fire alarm and heating installation, refurbishment, servicing and testing requirements and we come fully accredited and highly recommended.

Technical excellence, compliant reporting and consistent service delivery across several trade disciplines

ACCESS YOUR REPORTS ONLINE

You can view and download your reports and certification at the secure client login area of our website. This efficiently collates essential reporting, certification and other pertinent information at a single location accessible 24/7 from anywhere in the world with internet access.

Your access to important information is no longer confined to office hours

CERTS ARE SAFE

Reports and certification are retained at the secure client area of our website for the duration of validity.

You can't lose the paperwork

ONLINE PRICE & ORDERING

You can get a price and order all our services online saving you time, hassle and money. You already buy your flights and insurance online so why not this.

Prices are extremely competitive

EXTENDED PAYMENT TERMS

We continue to be the only contractor to offer genuine interest free extended payment terms which allows you to have work done now and spread the cost over a 12 month period. ***This is not a loan and no interest is charged.*** You place your order having already considered our very competitive quotation.

A real benefit to your cash flow
